We are currently living unexpected and unconceivable times that have forced us to look at the day by day differently, but always firm and hopeful.

Considering this, **LIBRERÍA EDUCATIVA** confirms to all that… **WE ARE READY, AND NOW CLOSER TO YOU!**

We have seven stores throughout the island, a renovated online store, friendly and bilingual, the most complete inventory, the best prices and our 30-years compromise of providing you a service of excellence.

We have designed different alternatives that facilitate the purchasing process of books for the 2020-2021 school year, which we detail immediately below.
